2024

LINHA DE KITS PRONTOS POR APLICAÇÃO

Os Kits Prontos por Aplicação foram cuidadosamente desenvolvidos com a quantidade exata de peças necessárias para fixar cada parte específica do veículo, seja ela externa ou interna. Essa solução foi criada com o objetivo de auxiliar os aplicadores, evitando a falta ou sobra de peças durante a instalação, além de evitar a comercialização de componentes incorretos. Você terá a praticidade e a certeza de contar com o conjunto perfeito para cada aplicação, garantindo um trabalho preciso e eficiente.

VANTAGENS DO KIT PRONTO POR APLICAÇÃO

1 - Estão disponíveis e catalogados para todas as montadoras nacionais e importadas como: **Chevrolet, Fiat, Ford, Volkswagen, Jeep, Volvo, BMW**, entre outros.

2 - Disponibilidade para todas as partes do veículo: **Para-choques, Para-barros, Molduras de Para-lama, Forração Interna, Assoalho, Varetas de Capô** e muito mais.

3 - **Todos os Kits** possuem, em sua composição, a **quantidade exata de peças necessárias para aplicação desejada**, mantendo sempre a originalidade do veículo, facilitando o dia-dia do aplicador e do revendedor, além de evitar a comercialização de uma possível peça errada, inviabilizando a montagem de um **para-choque ou para-barro**, por exemplo.
